

Rug Doctor Quick Stain Removal Chart*

Typically, fresh stains are easily removed. The longer a stain is allowed to set-in, the more difficult its removal and the more potential harm to the carpet or fabric.

Urine Eliminator Is Not Just for Urine.

Because of its enzymatic action, Urine Eliminator is effective at removing almost any type of odor and many types of stains. Also, Urine Eliminator can remove many old or set-in stains, even if they are not bio-origin stains. Try it today and keep it on hand for new accidents or old, persistent stains!
